Comprehension

Read the following passage ,the answer the questions below:

Two men were traveling in a wild and lonely part of America. The weather was very cold and windy . For days they have not seen a house , only a few huts made of wood or tents made of skin. One day, they met an old Indian who earns his living by **trapping** animals for their fur. They found that he knew their language, so they began talking to him about different subjects.

One of the two men asked **him** if he could tell them what weather would be like within the next few days. "Oh, yes " he said. "Rain is coming and wind There will be snow for two days, after that there will be bright sunshine." Isn't it wonderful?" asked one of the two friends." These old Indians know more of the secrets of nature than we do with our science." Then he turned to the old Indian and said:" tell me , how do you know all that?" The Indian replied:' I heard it on the radio."
